Teleconferences 2006

*"NLTN provides such a great service through these conferences. We, the clinical microbiologists, cannot thank you enough."
Mary Kulpa, Microbiology Supervisor,
Wheeling Hospital, Wheeling, WV*

- June 15, 2006 Detection & Reporting of Antimicrobial Resistance - Interactive Case Studies
- June 28, 2006 Using CLSI M45 to Guide Antimicrobial Susceptibility Testing of Infrequently Isolated & Fastidious Bacteria
- July 11, 2006 The Microbiology Lab as a Sentinel for Emerging Infectious Diseases
- July 26, 2006 How To Get Started in Infectious Disease Molecular Testing
- Aug 23, 2006 Verification of Infectious Disease Molecular Assays - What You Need to Be CLIA Compliant
- Sept 13, 2006 Is There Molecular Beyond PCR?
- Sept 26, 2006 Influenza Testing for Physician Office Laboratories
- Oct 19, 2006 Community Acquired Methicillin Resistant *Staphylococcus aureus* (CA MRSA)
- Oct 24, 2006 Epidemiology of CA MRSA
- Nov 1, 2006 Laboratory Detection of MRSA---Is It or Isn't It?
- Nov 8, 2006 Telediagnosis of Parasitic Infections
- Nov 29, 2006 Comprehensive Review of Mycobacteriology - Epidemiology, Collection, Processing
- Dec 6, 2006 Annual Influenza Update
- Dec 20, 2006 Comprehensive Review of Mycobacteriology - Safety, Turn Around Time, Newest Testing Methods

1:00 pm - 2:30 pm Eastern time

CEUs available

\$50 site registration fee/teleconference

Online registration: www.nltn.org/courses

*Registration for each conference will be open
2 months before the date of the teleconference.*

For more information,
email nltnmarketingmgr@nltn.org.

*The National Laboratory Training Network is a training system sponsored by the
Association of Public Health Laboratories (APHL) & the Centers for Disease Control and Prevention (CDC).*
